

General Education Requirements (S-H-F Elective Requirements)

The general education requirements of the undergraduate degree programs of the School of Engineering are consistent with the University of Mississippi's tradition of educating engineering leaders through the School's strong interaction with the University's Liberal Arts programs. Further, these requirements are established to fulfill the School's published mission of preparing "students with a broad based education" intended to develop "leadership skills" and "communication...skills."

The core/general education requirements for the School of Engineering include Engl 101, Liba 102 (or Engl 102); Math 261-262; and a minimum of 8 credit hours of laboratory science courses as specified by each department.

In addition, 18 credit hours as described below must be taken, but students should check with the department to learn the specific course requirements for an individual program in that they may be more prescriptive than the general requirements listed below.

Fifteen credits of Liberal Arts

Students must complete at least 15 semester hours consisting of social/behavioral sciences, humanities, and fine arts course work. At least 6 credit hours must be in the social/behavioral sciences, and at least 9 credit hours must be in combined humanities and fine arts courses with at least 3 semester hours from each of these areas. For the purpose of these requirements, social/behavioral sciences will include anthropology, economics, Latin American studies, political science, psychology, and sociology; humanities will include classics, English, history, modern languages (200 level and above), philosophy, religion, and Southern studies; and fine arts will include courses in the history, appreciation, and criticism of art, dance, music, and theatre arts. (Courses emphasizing the enhancement of skills and performance are not acceptable.) Honors, African American studies, and gender studies courses may be used to meet these requirements as appropriate, depending upon their topical content.

Three credits of additional general education course work

Students must complete an additional 3 semester hours of course work beyond the 15 hours required above. These additional 3 hours are to be composed of any additional fine arts, humanities, or social/behavioral science course work (as defined above) or, dependent on the approval of the student's department, any combination of credits from the courses listed in the table below:

Course	Course Title	Credits
AS 301	Air Force Leadership Studies I	3
AS 302	Air Force Leadership Studies II	3
BUS 250	Legal Environment of Business	3
BUS 271	Business Communication	3
EDLD 110	Chancellor's Leadership Class I	1
EDLD 111	Chancellor's Leadership Class II	1
EDLD 120	Introduction to Leadership Studies	3
EDLD 220	Foundations of Leadership Studies	3
ENGR 400	Leadership and Professionalism in Engineering	1
MGMT 371	Principles of Management	3
MSL 102	Military Science I: Basic Leadership & Management	2
NSC 211	Naval Leadership and Management I	2
SPCH 102	Fundamentals of Public Speaking	3
SPCH 105	Business/Professional Speech	3
